

# Trenton R-9 2017 Summer School Bus Routes

These times are approximate and subject to change. These are A.M. stops unless otherwise noted.

Please be ready and have your student at the bus stop 5 minutes early. This will ensure that you don't miss the bus ride and the bus will stay on schedule.

Always be aware of the school buses during their routes. Yellow flashing lights means the bus is about to stop and students are present. Always stop when the red lights are flashing and the stop arm is extended, as there will be students active outside and around the bus. Trenton R-9 children and their safety are important to us.

Thanks for your cooperation. If you have any questions, please contact Steve at 339-7227.

|                                 |      |                                   |             |                           |             |                     |             |
