Problems face all students. Problems in studies or social life can be solved so many ways: by counselors, a friend, a teacher.

Students have no fear of asking; the lines of communication are always open in Trenton High School, between everyone.
Working at optimum ability is essential. School fosters this by stressing perfection in everyday activities and projects. Striving for perfection develops a strong mind and intensifies character building. Contests may be difficult, and one's opposition might be a friend, but the strong will remain and friendships will strengthen.
Students find diversion from classes by entertaining, discussing, studying, and eating. All voluntarily participate in the classroom as well as organizations.

Don't be misled, academics are stressed, but fun goes with it. Close relations with everyone is the pride of THS.

football at its best: man against man

equals a game of magic possibilities

A season never to be repeated: our first year in the NCMC conference. Triumph and disaster--a mixture found in no other sport to the extent as in football.

The schedule started giving Trenton the chance of breaking even, but Savannah came and behold!--a four-year losing streak was broken; the score 19-10.

Game three, crucial for setting the season's pattern. Macon and a powerhouse showing, the outcome-Bulldogs: 26-Tigers 6. The Trenton machine continued to steam roll by defeating Kirksville 31-7.

Then showdown time came, and the team put forth its best effort in a losing game: THS 0-Marshall 16. Bouncing back from this jolt, Trenton defeated Marceline in their homecoming 20-0. Disappointment for the Bulldogs at the hands of the Moberly Spartans 34-2 blew the chances of winning the conference.

Homecoming found THS the victor, erasing last year's bitter memories of Brookfield. The score 7-0.

Finally, the biggest surprise of the 71 season--a near-upset victory for the Dogs, after five years, over the Chillicothe Hornets. Only an error in execution cost a victory here; the final score of the season read 8-16, Bulldogs on the short side.

As an over-all season THS can be proud of a team effort that proved again what a determined group can accomplish despite the odds.

How was that starting journey to State?

Bulldog fans and players alike enjoyed an excellent and exciting season which ended in an 18-8 win-lose record. Despite the number of games lost, the Bulldog team dropped only one contest to a Class M team, Kansas City St. Pius X in the State Tournament, with all other losses coming at the hands of Class L schools.

By capturing the Trenton Tournament and the Maryville Regional Tournament, the Bulldogs started and ended the season with a trophy.

This year's squad was only the fourth team in THS history to win a regional tournament and enter state competition.

By losing only one player to graduation, Trenton's hopes for basketball power in 1972-73 are indeed bright.

A young group of boys filled the roster for the wrestling team this year. Only seven seniors were on a squad made up mostly of freshmen and sophomores.

The varsity, led by seniors Dave Briegel and Rich Brummitt fought their way to a 5-4-1 record in dual competition as well as fourth place finishes in the Conference and the Marceline Tournaments.

The J.V.'s went 7-3 for their season and captured third at the NMC'B' team tournament.

Over all this season was not a success, but a better record is anticipated with a more experienced team next year.

March 10, 1984

The dedication of this year's yearbook can only represent a small portion of the affection and high regard held by all who have worked alongside you, or benefitted from your internship. On behalf of them all, we the staff thank you.

for the year

You again there were those few quiet moments spent in planning yet another publication.

and of course all the time spent in personnel conferences ensuring that year's issues would be a success.

top ten seniors recognized at graduation

A happy moment for a smart senior.

Miss Martha Hoffman was chosen as the Valedictorian of the 1972 graduating class. She was an active member of Stuco, she belonged to GAA, science club, pep club, madrigal, pompon squad, and publications. She was chosen as outstanding contributor to the senior class.

Miss Carol Holt, the 1972 Salutatorian, was a member of GAA, NHS, Stuco, pompon squad, and drama play. She was a varsity cheerleader, Who's Who in Honor Society and Among High School Students. She was chosen as Most Likely to Succeed. This year's graduating class was unusual because the top ten consisted only of girls.

Mr. Frankenstein checks into a "hairy" situation before the curtain rises.

Girls' Glee adds the usual feminine touch to the concert and then some.

Sue Lamme, accompanist.

Following tradition, the Mixed Chorus first performs its sacred numbers, including "Song of Moses" and "A Great Day of July."

Mr. Hannaford explains to the audience just who's in charge.

Trenton High School Band concludes an old year with a new and different concert.

Stage band toured several schools sharing their talent and good sound.

Student director, Mike Hall, encourages on his bass part.

Hey Mark, don't just stand there, play something!

Students, sophomores, and juniors can look forward to another year of football games, parades, contests, and . . . band concerts.

the track team works daily to prepare for meets

Track, a sport pitting one man against his own record, often fails to receive its share of spectator support. This is true of THS Track team, this year, found a new coach at the helm, Gary Ferguson came from the junior high and did a fine job. He had twenty out for this year's team, an increase over last year's participation. Three classmen placed at district and journeyed to state.

All three failed to excel there, but set hopes high for next year's track season.

In golf, as in other sports this year, there were many ups and downs. Highlights of the year included the first THS team victory in the Milan Invitational and a 5-1 won-lost record in dual and triangular competition. Bad days came at inopportune times, such as the Conference and Brookfield Relays—fifth place finishes. A try at a state berth in district competition came as a bitter disappointment—a ninth place finish. In all, it was another winning season for a respected golf school. With graduation taking the first, second, fourth and sixth men from the THS ranks, next year could prove to be a trial.
first tennis season proves successful, 2-1

Kirksville 5-4  Chillicothe 6-1  Kirksville 2-7

Donna Pinnick, number two
Karen Johnson, number one

Tennis became a member of the varsity sports this spring and was coached by Dinah Carstner. Pam Shaddix was the only member who was undefeated.

The team was unable to letter during the first season because they had only played three regular season games.

Two seniors were on the squad; Debbie Brown, number five and Donna Pinnick, number two.
